April 16, 2019 [Host](#), GIST Tech-I Competition, Global Entrepreneurship Congress Bahrain

Flores, on staff at Lullabot, directed the website redesign for Green America, co-founded 10K Webdesign (2004-), founded A Successful Woman (2006-2012), co-founded Gramercy & Co. (2010-2017), serves as advisor to MAAN Softwares Inc. (2016-), and edited the FemaleFounders.Network (2017-). She was chair of Green America's board committee on Diversity, Equity, & Inclusion. She received the 2018 NTENny in recognition of her contribution to the nonprofit tech community. A graduate of Cornell University, she lives in Washington, D.C. Monica speaks with founders, startup/entrepreneur/tech/hackathon groups, & women.

Because of her interest in online communities, she advises leadership teams on strategic planning, product lifecycle development, and digital platforms. She is passionate about leadership, innovation, technology, and education. She speaks, writes, and presents on entrepreneurship and product development.
